Dear,

Zagreb,17.05.1999

I received your address from Croatian water polo federation.I decided to contact you in hope that you can help me in fulfilling my dreams that are related with your country.

My name is Gordon Kunstek and I was born on 07th of July 1978 in Zagreb. Presently, I'm studying at the University of Zagreb at the Faculty of Law. Besides that I'm recognized by Croatian Sport Association as a sportsman of second category. My big, and still unfulfilled wish is to get to know your culture to learn a new language and to learn your customs.

I would like to use my skills in Waterpolo to fulfill my dreams and to improve myself both as a sportsman and future lawyer. As I mentioned before my big occupation is Waterpolo which I have started playing 12. years ago in Waterpolo club "Mladost". When I was 17 years old, I have started playing in senior team of the same club. where I was active next two years. With the team I won 2nd place in European Champions league in Napoli in Italy, besides that I also won Croatian Cup and we where 1st in Croatian Championship.

In the same time I was also member of Croatian junior national team. Presently I am member of Waterpolo club "Medveščak". My position in the game is 2 m defence but I play also left and the right side.

At the end of this brief letter I wish I succeed to present my present situation. I would like to ask you if you could help me in finding a club that would be interested in taking me for the next season.

I thank you in advance.

Sincerely yours

*Gordon Kunstek
