Frédéric LEFEVRE – OLY
Directeur de l’institut

Frédéric, a double Olympic finalist in swimming, served for 16 years as a Technical and Educational Advisor within the Ministry of Sports and as a Speaker for the French National Olympic and Sports Committee in the fight against doping.

An adult training engineer, he is currently co-founding manager of the ICARE Institute, and co-developer of “A.I.S.H.A.”.

Mauro ANTONINI
Responsable du
Département Recherche

Mauro is an expert in analyzing the functional and structural modalities of high-level athletes. Passionate about History, he holds a doctorate in the subject. He exercises multiple functions within the Italian Swimming Federation (technical manager and manager of swimming establishments) and the Italian Federation of Sports for the Deaf (National Technical Director).

He is currently co-founding manager of the ICARE Institute, and co-developer of “A.I.S.H.A.”.
