

EDUCATION PROGRAM FOR BEGINNERS LEVEL OF WATER POLO TECHNICAL OFFICIALS 2025

The Education program for Water Polo Technical Officials on Beginners level is prepared for three (3) different categories.

- 1. Referees**
- 2. Delegates**
- 3. Jury table Officials**

This program should be applied during Development Water Polo Camp 2025, Varna (BUL), June 2025. Each lecture in program will be followed by the presentations prepared separate per each topic with exception of Water Polo Rules and their applications, which should be transmitted to all participants with the same spirit and wording.

The program consists two (2) parts: Theoretical and Practical.

Topics of Theoretical part for each category:

Referees – Eight (8) working hours

- Water Polo Rules and their applications
- What is a Referee and Code of behaviour
- Basic mechanics of the Referees (collaboration, position, signalisation...)
- Basic Water Polo Rules test

Delegates – Eight (8) working hours

- Water Polo Rules and their applications
- Manual for Delegate work (duties and responsibilities)
- What does Referee needs from the Delegate
- Basic Water Polo Rules test

Jury table Officials – Eight (8) working hours

- Water Polo Rules and their applications
- Duties and responsibilities of Jury table Officials
- Jury table Officials Code of behaviour and Dress code
- Collaboration with Delegates and Referees
- Basic Water Polo Rules test

Practical part for all three (3) categories of Water Polo Officials will be performed during the games at the Development Water Polo Camp. The working hours depends of the number of participants and games organized.
