 - One (1) Duet with maximum one (1) reserve.
 - One (1) Mixed Duet with maximum of one (1) reserve.
 - One (1) Free Combination of four (4) to ten (10) members with maximum two (2) reserves.
 - One (1) Acrobatic of four (4) to eight (8) members with maximum two (2) reserves.
2. The events defined for the Master category are carried out in accordance with *European Masters Championship for Swimming, Diving, Artistic Swimming and Open Water Swimming, version 23 March 2024*, except for rule AS 16.1.1, assuming only two panels of judges: Panel 1 - Execution; Panel 2 - Artistic Impression, each with a weighting in the final score of 50%.
3. In the case of the Youth Figures, World Aquatics Artistic Swimming Rules - 2022 - 2025 AS 8.3 (AS 8.3.1, AS 8.3.2 and AS 8.3.3) and AS 8.4 do not apply. All athletes in the Youth category perform the 4 figures in the Section C.
4. Participation in the Open is restricted to the Free Duet events (U12 and Youth Figure competition included for duet athletes only), Mixed Free Duet events (U12 and Youth Figure competition included for duet athletes only), Acrobatic event, U12 Combi and Youth Combi and Free Master Solo.
5. Direct finals for every event. No preliminaries are held even if there are more than 13 entries in a

session.

6. During the event, swimmers' substitutions must be indicated on a specific form available at local sport info desk, delivered to the referee 2 hours prior to the competition.
7. Specifically, for the U12 category, the following limitations/amendments to the current AQUA regulations will apply:

(1) Free Duet Event:

- 3 free hybrids with a maximum Declared Difficulty (DD) of 6.0 (including Base Mark)
- 1 creative hybrid (DD = 1)
- 1 acro-pair

(2) Mixed Free Duet Event:

- 2 free hybrids with a maximum Declared Difficulty (DD) of 6.0 (including Base Mark)
- 1 creative hybrid (DD = 1)
- 2 different acro-pairs
- 3 sustained surface connection declarations ("SuCon"), with displacement (1m or more) or rotation (180° or more)

(3) Combi Event:

- 3 different team acros (within the safety limits for the Infantil category)
- 1 solo hybrid with a maximum DD of 6.0 (including Base Mark)
- 1 duet hybrid with a maximum DD of 6.0 (including Base Mark)
- 2 team hybrids with a maximum DD of 5.0 (including Base Mark); minimum of 4 athletes
- 1 creative team hybrid with DD = 1; minimum of 4 athletes

Considerations for Combi Events:

- a) Regardless of the number of athletes in the routine, acros cannot be repeated.
- b) Repeated constructions are allowed in acros, but not identical acros in their entirety.
- c) Only the Infantil category has a limit on the declared difficulty of the routine.
- d) Creative team hybrids ("ChoHY") are not factored (any athletes can perform them, with a minimum of 4 participants).
- e) Team free hybrids will be factored whenever they do not include all athletes in the routine. The declared difficulty value already accounts for factoring calculations:

- **U12 Category:** After factoring the free hybrids (if necessary), the declared difficulty value will be a maximum of 5 (including Base Mark).
- **Youth Category:** Since there is no limit on declared difficulty, factoring will be applied to determine the final value of each hybrid.
